# PLANO MAYOR'S SUMMER INTERNSHIP PROGRAM

Founded in 2014 by former Mayor Harry LaRosiliere, the Plano Mayor's Summer Internship Program has partnered with local corporate, civic, and nonprofit organizations to place over 1,000 student interns in paid internships throughout Plano. This annual initiative is designed to provide rising junior and senior high school students within Plano ISD with meaningful internship experiences, mentorship opportunities, and exposure to the various professional

opportunities the Plano community has to offer. The program is dedicated to fostering the growth of future leaders and contributing to the economic development of the City of Plano.

## NONPROFITS

Through the generous support of donors and sponsors, we are able to place students in internships with local nonprofits and governmental agencies at little to no cost thus providing valuable experience to the students and much-needed staff support to the organization.

Nonprofits can learn more about the requirements and apply to be added to the waitlist by completing the Nonprofit Grant Application.

# THERE ARE 3 WAYS TO SUPPORT INTERNS

CHOOSE ONE OR CHOOSE THEM ALL!

1

## HOST AN INTERN

- Internships are 8 weeks
- Provide the intern with an authentic workplace experience
- Interns work a minimum of 20, up to 40, hours per week
- Pay the intern a minimum of \$13 per hour plus pay the required \$500 per intern program fee to support program days, learning materials, and celebration luncheon

2

## UNDERWRITE AN INTERN

- Internships are 8 weeks
- Nonprofits provide the intern with an authentic workplace experience
- Interns work a minimum of 20 hours per week for a local nonprofit
- The cost to underwrite an intern is \$2,500 and includes funding that enables the nonprofit to pay the intern the minimum \$13 per hour, and includes the required \$500 per intern program fee

3

## BECOME A SPONSOR

- Program Sponsors provide essential resources to enrich the intern experience and help shape program content and enrichment activities.
- Luncheon Sponsors support a memorable end-of-summer celebration honoring students and employers.
- All Sponsors are recognized for their community partnership, leadership, and commitment to developing Plano's future workforce.

## PMSIP DISCOVERY DAYS

*A Career Exploration & Business Learning Initiative*

We believe every student deserves access to professional growth, even if they don't secure an internship. That's why we created PMSIP Discovery Days, a one-day career exploration experience that connects PMSIP applicants with local businesses to explore diverse industries, gain real-world insights from professionals, and experience the workplace through guided tours and networking opportunities.

**If you're interested in hosting a Discovery Day, contact us to learn more.**

The Plano Mayor's Summer Internship Program is a program of the Plano Improvement Corporation, a 501c3 nonprofit organization devoted to community development and economic improvements within the City of Plano.
